WHAT HAVE WE BEEN UP TOO

SUMMER SOLSTICE RITUAL

Our Moon Club recently hosted its first Open Ritual to celebrate the summer solstice. The event was graciously led by Rachel Patterson, whose expertise and guidance were truly appreciated. We express our heartfelt gratitude to Rachel for sharing her knowledge and experience with us.

I totally blanked on snapping any photos during the whole experience - whoops! But hey, it was all to keep that special moment just for the participants who were part of it.

MOON CLUB

Our Moon Club crew is blossoming like a field of wildflowers! Watching these friendships sprout is pure magic - it's the heart and soul of why we kicked off this group. From mastering Brigid's Crosses to dabbling in Herbology, we've journeyed through crystals, embarked on our first Witches Walk, crafted Flower crowns for Beltane, and conjured up a dazzling Open Ritual for the Summer Solstice (with some help from a High Priestess). Next up on the spellbinding agenda: Witch Bottles in July and Corn Dollies for Lammas in August.

Ready to dive into the enchanting world of Moon Club? Swing by our website or pop into our store to secure your spot for just £15 per person. Psst... open rituals and witches walks are on the house!

No experience required - just a sprinkle of curiosity and a dash of wonder. Let the mystical adventures begin!
